

HOLIDAY HOOPS

SINCE 2001

COMMUNITY SKILLS & HEALTH EVENT

Our first-ever Holiday HOOPS & ARTs Community Skills & Health Fair was held on May 18, 2024, at the Inez Patricia School of Dance. This event marked a significant milestone in our commitment to enriching the lives of children and families through a dynamic blend of athletics, arts, mentoring, life skills, and health.

Partnering with Inez Patricia School of Dance, ARCHway Learning Solutions, Motivated King, Sunshine Soul Vibes, Bemer Group USA, Orlando Union Rescue Mission, and Full Tilt Ahead, we hosted a free event open to the public. The fair featured three sections: sports, life skills & health, and arts, each designed to engage the community with hands-on activities that highlighted our core pillars. Participants enjoyed free healthy meals throughout the day.

We are especially grateful for the Allstate Foundation's support through a Group Community Grant facilitated by HH&A volunteer Charlotte Hooks. This generous grant was instrumental in the event's success, which saw 62 participants actively engaged. The positive community response confirmed the impact of our programs and provided valuable insights for future initiatives.

The fair has strengthened our commitment to empowering youth, families, and communities, bringing us closer to our vision of fostering growth for generations to come.

TESTIMONIALS

"The whole experience was perfect. The food was healthy and delicious, and the sponsors had a lot of great things to say. Arts and crafts were a hit, and I really liked the level of engagement. It was so nice to see all the speakers connect with our members. My favorite part had to be the dance-off!"

Heather, Parent of a Current Athlete

Holiday Hoops is a great organization filled with passionate people focused on developing the greatness within each child all while empowering and strengthening the family dynamic!
